

Help Maintain a Sterile MRI Environment

FOMRI Pop Screens

Our sanitary pop screens provide required patient hygiene and greatly enhance microphone acoustical performance, as well as ensure correct positioning of the FOMRI in-situ.

P/N: 501A0039 - 100 pack

FOMRI Slide Mounts

Enable transfer of your FOMRI setup between coils with extra Slide mounts. Easily adheres to suitable surfaces using Velcro® fasteners, just like the Slides that are supplied with every device.

P/N: 700A0052

OptoACTIVE Earpad Covers

Effective and comfortable, our fitted sanitary earpad covers are easy to apply and remove. They are designed and manufactured to enhance the unique acoustic requirements of the OptoACTIVE.

P/N: 501A0043 - 50 pack

OptoACTIVE MULTIPAD

Get maximum vibration isolation with the Pearltec MULTIPAD fixation device, customized for the OptoACTIVE to provide ideal vibro-acoustic isolation. Add disposable covers for total hygiene.

P/N: 700A0213 OptoACTIVE MULTIPAD

P/N: 700A0214 Large Hygienic Covers - 50 pack
